SC10098C

Manufacturing and Technology Officer of Assignee Semiconductor Components Industries, L.L.C.

The Notice of Missing Parts of Reissue Application indicated that a fee of \$130.00 is due for a missing oath or declaration. Applicants believe this charge is in error because it was the Assignee Statement, not the oath or declaration, that was claimed to be missing. Under 37 C.F.R. § 1.16(e), the fee indicated in the Notice is only due when the oath or declaration are missing.

Accordingly, Applicants believe no fee is due as a result of this response. However, the Commissioner is authorized to pay any proper fee or to credit any overpayment to Deposit Account 501086.

If there are matters which can be discussed by telephone to further the prosecution of this Application, Applicant invites the Examiner to call the undersigned attorney/agent at the Examiner's convenience.
